PDP-EE Curriculum Package - Professional Development Program-Education Edition
 Curriculum includes Intro to Collision Repair Series, Non-Structural ProLevel 1 and Refinish ProLevel 1:

Program #	Program Code	Program Title
1	CPS01	Corrosion Protection
2	EDS01	Non-Structural Supplement
3	EDS02	Refinish Supplement
4	EXT01	Bolted-On Part Replacement
5	FOM01	Automotive Foams
6	GLA01	Movable Glass
7	LSC01	Lighting, Starting, & Charging Systems
8	PLA03	Plastic & Composite Repair
9	REF01	Refinishing Equipment & VOC Regulations*
10	REF02	Surface Preparation & Masking*
11	REF04	Detailing
12	REF07	Waterborne Products, Systems, & Applications
13	STS01	Cosmetic Straightening Steel*
14	TRM01	Trim & Hardware
15	WKR01	Hazardous Material, Personnel Safety & Refinish Safety
16	NEW10	Vehicle Technology & Trends 2010
17	NEW11	Vehicle Technology & Trends 2011
18	NEW13	Vehicle Technology & Trends 2013

Please Note: Includes (2) I-CAR Banners and (2) I-CAR PDP-EE Certificates

ANNUAL CURRICULUM LICENSING FEE		\$1,100.00
<i>PLEASE ALLOW 6 WEEKS FOR SHIPPING.</i>		*Shipping & Handling +
PLEASE NOTE: Props for a program may be purchased only if the school has purchased the corresponding curriculum for that program.		

CURRICULUM PACKAGES:

Enhanced Curriculum Package - Meets NATEF Requirements - 60 courses including:

Program #	Program Code	Program Title
1	ABR01	Anti-lock Brakes & Traction Control Systems
2	ADH01	Adhesive Bonding
3	AIR01	Air Conditioning
4	ALT03	Alternative Fuel Vehicle Damage Analysis & Safety (Replaces ALT01 & ALT02)
5	BRA01	Brakes
6	CPS01	Corrosion Protection
7	DAM01	Vehicle Identification, Estimating Systems, & Terminology
8	DAM03	Mechanical Systems Analysis
9	DAM05	Aluminum Panels & Structures Damage Analysis
10	DAM06	Steering & Suspension Damage Analysis
11	DAM10	Exterior Panels Damage Analysis (Replaces DAM02 & DAM04)
12	DAM11	Restraint Systems Damage Analysis (Replaces DAM02 & DAM04)
13	DAM12	Steel Structures Damage Analysis (Replaces DAM02 & DAM04)
14	DAM15	Advanced Steering and Suspension Systems Damage Analysis (Replaces STE05)
15	DRE01	Driveability Issues, No-Starts, & Emissions
16	DRT01	Drivetrains & Engine Mounts
17	ELE01	Electric Circuits & DVOM Usage
18	ELE02	Diagnosis, Testing, & Repair of Common Electrical Loads
19	ELE03	Fault Code Retrieval, Diagnosis, & Testing Electronic Systems
20	EXT01	Bolted-On Part Replacement
21	EXT02	Welded & Adhesively Bonded Panel Replacement
22	FCR01	Fundamentals of Collision Repair
23	FOM01	Automotive Foams
24	FUE01	Fuel & Exhaust Systems
25	GLA01	Moveable Glass
26	GLA02	Stationary Glass
27	HEA01	Heating & Cooling Systems
28	LSC01	Lighting, Starting, & Charging Systems
29	MEA01	Measuring

Program #	Program Code	Program Title
30	PLA03	Plastic & Composite Repair
31	PRA01	Replacing Aluminum Exterior Panels
32	PWR01	Power Accessories
33	REF01	Refinishing Equipment & VOC Regulations*
34	REF02	Surface Preparation & Masking*
35	REF03	Color Theory, Application, Tinting, & Blending
36	REF04	Detailing
37	RES01	Restraints
38	RES02	Advanced Restraints Systems
39	SPA01	Structural Parts Aluminum Program 1
40	SPA02	Structural Parts Aluminum Program 2
41	SPS01	Steel Unibody Front and Rear Rails, Floors and Front Structure
42	SPS02	Steel Unibody A-, B-, C-, D-Pillars, and Rocker Panels
43	SPS03	Structural Parts Steel Program 3
44	SPS07	Steel Unitized Structure Technologies & Repair
45	SPS08	Steel Full-Frame Technologies and Repair
46	SSA01	Structural Straightening Aluminum Program 1
47	SSS01	Structural Straightening Steel
48	STA01	Cosmetic Straightening Aluminum
49	STE01	Steering and Suspension Program 1
50	STE02	Suspension Systems
51	STE03	Rack & Pinion & Parallelogram Steering Systems
52	STE04	Wheel Alignment & Diagnostic Angles
53	STS01	Cosmetic Straightening Steel*
54	TRM01	Trim & Hardware
55	VT117L01	Vehicle Technology Trends and Diagnostics Overview
56	WCA01	Aluminum GMA (MIG) Welding
57	WCS01	Steel GMA (MIG) Welding
58	WCS05	Oxyacetylene/Plasma Arc Cutting
59	WKR01	Hazardous Material, Personnel Safety & Refinish Safety
60	WNW01	Wind Noise & Water Leaks

Please fax completed form to 888.590.5086.
